NEWS RELEASE

**PELANGIO REPORTS APPOINTMENT OF ADDITIONAL DIRECTOR,
ANNUAL GENERAL MEETING VOTING RESULTS, AND
FILING OF FIRST QUARTER RESULTS FOR 2017**

TORONTO, Ontario (May 31, 2017) – Pelangio Exploration Inc. (PX:TSX-V; OTC PINK:PGXPF) (“Pelangio” or the “Company”) announces the appointment of an additional director, the voting results from its Annual General Meeting of Shareholders held on May 30, 2017 (the “Meeting”), and its filing of the first quarter financial results for 2017.

Appointment of Additional Director

Pelangio is pleased to announce the appointment of Kevin P. Thomson, P.Geol. to the board of directors. The appointment is effective immediately following the Meeting and expands the board to six directors, five of whom are independent. Kevin is a senior mining professional with 29 years' experience, including international technical, corporate and project management experience in West Africa and Canada. His experience ranges from project generation and grass-roots exploration to resource development, project assessment and due diligence. Kevin previously resided in Ghana for 12 years, during which time he served as Group Exploration Manager at Perseus Mining Limited and Regional Exploration Manager at Newmont Mining Corp. Kevin holds an Hons. BSc. Geology & Physical Geography from McMaster University, and is a member of the Association of Professional Geoscientists of Ontario (#0191). Kevin has been a non-executive director of ASX-listed Amani Gold Limited since 2011.

“We are thrilled that Kevin has joined the Pelangio Board. Kevin has an exceptional track record in mining exploration, discovery and project advancement as well as extensive knowledge of Ghana”, commented Pelangio’s President and CEO, Ingrid Hibbard.

AGM Voting Results

Pelangio’s shareholders voted in favour of all items of business at the Meeting held on May 30, 2017. A total of 104,981,495 (44.57%) of Pelangio’s common shares were represented at the Meeting.

The five nominees listed in the management proxy circular dated April 13, 2017, were re-elected as directors of Pelangio. Detailed results of the vote for the election of directors are set out below.

About Pelangio

Pelangio successfully acquires and explores camp-sized land packages in world-class gold belts, while using innovative corporate restructuring to maximize shareholder value. The Company primarily operates in Ghana, West Africa, an English-speaking, common law jurisdiction that is consistently ranked amongst the most favourable mining jurisdictions in Africa. The Company is exploring three 100%-owned camp-sized properties: the 100 km² Manfo Property, the site of seven recent near-surface gold discoveries, the 264 km² Obuasi Property, located four kilometres on strike and adjacent to AngloGold Ashanti's prolific, high-grade Obuasi Mine, which has produced over 30 million ounces of gold since 1897, and the early-stage 159 km² Akroma Property.
