### **Pelangio Closes First Tranche of Non-Brokered Private Placement Financing and Announces Change of Transfer Agent**

**TORONTO, Ontario (September 27, 2023)** – Pelangio Exploration Inc. (TSX-V:PX; OTC PINK:PGXPF) (“Pelangio” or the “Company”) is pleased to announce that it has closed the first tranche of a non-brokered private placement of up to \$500,000 announced on September 11, 2023 (the “Private Placement”). The first tranche raised gross proceeds of \$209,100 from the issuance of 6,970,000 units (the “Units”) at a price of \$0.03 per Unit.

Each Unit consists of one common share of the Company (a “Common Share”) and one Common Share purchase warrant (“Warrant”). Each Warrant entitles the holder to purchase one Common Share at a price of \$0.05 until September 27, 2028.

The Company paid finder’s fees to Leede Jones Gable Inc. and GloRes Securities Inc. totaling \$7,200 in cash and it issued 240,000 broker warrants (“Broker Warrant”) on gross proceeds raised by eligible arm’s length parties. Each Broker Warrant is exercisable to acquire one common share of the Company at a price of \$0.05 per warrant on the same terms noted above. All finder’s fees are subject to compliance with applicable securities legislation and TSX Venture Exchange policies.

All securities issued in this closing of the Private Placement are subject to statutory four month hold periods expiring on January 28, 2024. The Private Placement remains subject to obtaining final approval of the TSX Venture Exchange.

Certain insiders of the Company participated in the Offering for an aggregate total of \$113,100 in Private Placement. The participation by such insiders constituted a “related party transaction” as such term is defined by Multilateral Instrument 61-101 - Protection of Minority Security Holders in Special Transactions (“MI 61-101”). The Company was exempt from the MI 61 101 valuation and minority approval requirements for related party transactions in connection with the Offering under sections 5.5(a) and 5.7(1)(a) of MI 61-101 as neither the fair market value (as determined under MI 61-101) of the subject matter of, nor the fair market value of the consideration for, the transaction, insofar as it involves the Related Parties, exceeds 25% of the Company’s market capitalization (as determined under MI 61-101).

**The securities offered have not been registered under the U.S. Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements.** This press release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of the securities in any jurisdictions in which such offer, solicitation or sale would be unlawful. Any offering made will be pursuant to available prospectus exemptions and restricted to persons to whom the securities may be sold in accordance with the laws of such jurisdictions, and by persons permitted to sell the securities in accordance with the laws of such jurisdictions.

## Change of Transfer Agent

In other news, Pelangio announces the appointment of Odyssey Trust Company as the Company's registrar and transfer agent, effective immediately. Shareholders do not need to take any action with respect to the change in registrar and transfer agent services.

All inquiries and correspondence relating to the shareholder records, transfer of shares, lost certificates or change of address should now be directed to Odyssey Trust Company rather than Computershare Trust Company of Canada, which has resigned at the Company's request.

## About Pelangio

Pelangio acquires and explores world-class land packages on strategic gold belts in Ghana, West Africa and Canada. In Ghana, the Company is exploring its two 100% owned, camp-sized properties: the 100 km<sup>2</sup> Manfo property, the site of seven near-surface gold discoveries, and the 284 km<sup>2</sup> Obuasi property, located four km on strike and adjacent to AngloGold Ashanti's prolific high-grade Obuasi Mine, as well as its Dankran property located adjacent to its Obuasi property. In Canada, the Company is currently focused in Ontario at its newly acquired gold, silver, zinc polymetallic Kenogaming project, located 63 km southwest of Timmins, its Dome West property, situated some 800 meters from the Dome Mine in Timmins; and at its Gowan polymetallic project, located 16 km east of the Kidd Creek Mine.
